

In memory of a fallen community member, we are accepting donations for a cause he supported wholeheartedly and even donated his own hair to support this organization. For the month of August, we will be collecting donations for Wigs for Kids!

Wigs For Kids is a non-profit organization that strives to help children suffering from various illnesses including childhood cancer, burns and alopecia. Donations will be accepted between August 1st and August 31st.

Donations can be made by visiting one of our locations. For more information, please call 724-527-2822
