

Leap Into Your Future

- Learn to manage and save money in a fun way.
- When a child opens an account at the credit union, they will start the leap into their savings future.
- This savings account is designed to assist the children with their financial future. Children are encouraged to jump up and deposit birthday money, weekly allowances, and any other funds that might help them leap into a strong future of savings.
- For more information about national youth month or the Leap Into Your Future savings program, stop at one of our branches or call and talk to an associate
- Fun Events including an Easter Egg Hunt, Fall Fest, Ice Cream Day, and Much More.
- Every Child gets a birthday card from the credit union
- College Financial package available. That includes a fee free visa debit card, free checking, and savings.
- \$500.00 Scholarship given twice a year
