

Founded by a Veteran, EGA Associates, LLC is a staff augmentation and consulting firm focused on providing Professional, Healthcare Staffing services and human capital management solutions to government and commercial clients nationwide.

At EGA we strive to enhance healthcare through the recruitment, placement, and management of medical professionals who provide work collaboratively to tailor solutions that meet the unique challenges of our clients while maintaining compliance as well as upholding The Joint Commission Standards with all rules and regulations.

Our team integrates innovative ideas, technologies, and perspectives to enhance business practices, delivering efficiency through simplified, streamlined processes while maintaining open communication through the utilization of agile systems. EGA is committed to the highest level of information management and data integrity through CMMC

(Cybersecurity Maturity Model Certification) NIST800-171
(National Institute of Standards and Technology) certification.
